PREFACE.

We herewith present to the public our Directory for Port Huron and Fort Gratiot, and hope it will meet with their approval. A thorough canvass has been made, errors carefully guarded against as much as it is possible in a work of this kind, and every effort has been made to furnish the citizens with a useful and reliable work.

From information and data obtained during the canvass, we estimate the present population of Port Huron at 10,500, and that of Fort Gratiot about 900.

The Business Directory contains a classified list of names of all trades, professions and pursuits, thus exhibiting at a glance the special business of each citizen.

The Miscellaneous Directory furnishes a variety of information, useful to both citizens and strangers.

In conclusion, we beg to thank the business community for their patronage.

The above figures represent only the Carriers' Lists. Newsboys sell an average of Fifty COMMERCIALS in Sarnia, and One Hundred about the streets of Port Huron. There is a miscellaneous subscription list of 167 outside of the city. To all these add the circulation of the Wednesday edition, which reaches nearly every postoffice in St Clair county, and many of the postoffices in Huron, Sanilac, Lapeer and Macomb counties, and it will be seen that we offer unparalleled advantages to advertisers.

Advertisements inserted in both papers for the price of one. Our rates are very low in proportion to the work done for the money.

In Port Huron and Fort Gratiot there are about 2000 buildings of all kinds. A larger proportion of subscribers to a Newspaper cannot be found anywhere else in the world. Our subscription books are open for inspection to verify our figures.
