EARL A. LESTER AND SONS

wish to thank the merchants for the cooperation and financial support in publishing this Directory for the Port Huron, Marysville, and Blue Water District.

Several changes have been made in the construction of the Directory. The street guides placed in the back of the Directory gives the classified business section a more prominent and valuable space. This also conforms to the rule used by other publishers in America. For the first time the Mc's are compiled in the M's and the St's likewise in the S's, which we feel will be an improvement over the style formerly used.

At your service,

Marysville, Michigan

The City of Marysville is the Home Owners' paradise offering all the conveniences of a large industrial city but having the small community atmosphere.

The City comprises an area of approximately 8 square miles, having a frontage of four miles bordering on beautiful St. Clair River which makes the location ideal for both industry and tourists.

Marysville boasts of one of the most beautiful Municipal Parks in the entire state, has its own water filtration plant with a capacity of 2,500,000 gallons per day, adequate sewer and water systems, approximately 20 miles of hard surfaced streets, and a system of street lighting unequaled by any city of its size in Michigan.

With both Public and Parochial school systems functioning within the city, the educational welfare of the children is well taken care of.

The Real Estate valuation of the City for 1940 is \$5,582,620 and the personal tax is \$8,899,650, totaling \$14,482,270.

The following industries absorb approximately 96% of the taxes: Chrysler Corporation, Morton Salt Company, Gar Wood Industries, St. Clair Rubber Company, and Detroit Edison Company, leaving about 4% for the land owners to absorb.

All real estate in Marysville is highly restricted and with all the other fine qualities the City possesses, makes it a place of contentment and happiness.

Port Huron, Michigan

Beside the blue waters of Lake Huron and the St. Clair River is the City of Port Huron beautifully situated. The good Lord did His best in picking out for this city so wondrous a location and He has had helpful response from Man in the development of the lake and river district. Here home building and home loving and content are ever present. Here hospitality is cordial, our friendliness sincere and entertainment features can be furnished in abundance. Port Huron is a town of fine shops, dress and department stores, boot, shoe and haberdashery establishments, progressive newspapers, food and meat markets, bakeries, gasoline and oil distribution, jewelry, drug and special stores, laundries, dry cleaning establishments, "lawyers, doctors, merchants, chiefs." Supremely happy ourselves, Port Huron wants you and your family to be of us and be happy with us. Life in Port Huron is life which is very much worth while.
