**CITY DIRECTORY
ADVERTISING
IS *National* ADVERTISING**

★ Each edition of your City Directory is widely distributed to free-reference City Directory Libraries located at the Chambers of Commerce of hundreds of other cities.

★

**Therefore your ad in the City Directory
is seen by buyers from coast-to-coast**

Out of Sight - Out of Mind

★ *Out of Business* ★

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

THE BUILDER

I watched them tearing a building down,
A gang of men in a busy town;
With a ho-heave-ho and a lusty yell
They swung a beam and the sidewall fell.
I asked the foreman, "Are those men skilled
And the men you'd hire if you had to build?"
He gave a laugh and said, "No indeed,
Just common labor is all I need.
I can wreck in a day or two
What builders have taken a year to do."
And I thought to myself as I went my way,
Which of these two roles have I tried to play?
Am I a builder who works with care,
Measuring life by the rule and square,
Am I shaping my deeds to a well laid plan,
Patiently doing the best I can,
Or am I a wrecker who walks the town,
Content with the labor of tearing down?
