Townships of St. Clair County

List of Heads of Families

Note.—In addressing the people of the townships where there is no No. given of the R. F. D., it is because there is going to be a change; but all mail addressed “R. F. D.” will reach the proper person. It would also be a good thing in addressing any or all of the township, to put the name of the township, also put the section in which they live as it is also given. Then if there is two of the same name it will reach them all O. K. O stands for owner, R for renter and T for tenant, J for jointly.
