TIP TOP SILVER BLACK FOX CO.,

BREEDERS OF HIGH GRADE SILVER BLACK FOXES.

Fox ranching is an industry begun on P. E. Island in the 80's.

All highest pelt records are held by P. E. Island foxes.

The silver hairs cannot be duplicated by any known process of dying or pointing.

There has always been a demand for high quality silver black fox pelts at high prices.

Pioneer ranchers have grown fabulously rich.

Every fox in the U. S. A. scoring 94 points or over was bred from our foxes.

Sweepstakes foxes in all American bred classes were bred from our foxes.

We breed nothing but quality foxes.

Quality is the key to success and wealth in the fox industry.

All our foxes are pure bred, pedigreed and registered stock of prize winning strains.

We guarantee every fox to be as represented.

We guarantee purchasers 25% on their investment.

We have two large ranches with experienced keepers in attendance.

We ranch our customers' foxes at reasonable rates per year.

We invite inspection. All information free for the asking.

Write for free booklet on 50 facts about foxes.
