Type 61 Achieves Greatest Success in Cadillac History

Now with the figures compiled, it is possible to announce that Cadillac in the first seven months of 1922 has achieved the greatest success in all its history.

We believe that this unparalleled advance in Cadillac business, and the continuing vogue of the Type 61 among buyers of high grade cars can mean but one thing:

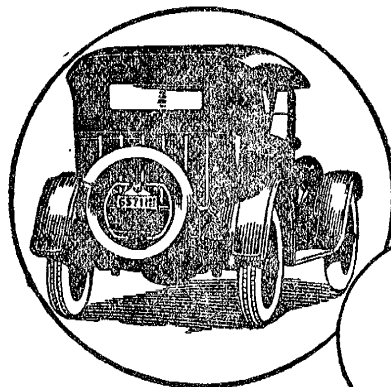

It signifies that the public considers Type 61 the greatest motor car value in the world.
